// TYPOGRAPHY RULES

CASE

Sentence case everywhere — never title case, never all caps (except code labels).

ITALIC

Italic is reserved **exclusively** for the word "ephemeral" — never use it elsewhere.

WHITESPACE

Generous whitespace is a design signal. Density is controlled — never cramped.

// DESIGN PRINCIPLES

DO

- Graphite #18181B as default background
- Indigo as accent only — max 20% of surface
- Generous whitespace, controlled density
- JetBrains Mono for all technical labels and stats
- 25% clearspace around the {.} mark
- Sentence case in all copy, all contexts

DON'T

- No gradient, glow, neon, or drop shadow — ever
- No pure black #000000 — use Graphite #18181B
- No stock photos of smiling HR professionals
- No italic outside the word "ephemeral"
- No "EPHEMER" in all caps
- No "the Ephemer" — always just "Ephemer"

// TAGLINE

"Stop hiring for the decade.
Hire for the sprint."

// MARK CONCEPT

The {.} mark reads like code — a variable, a scope, a context. It encapsulates a talent within a mission boundary. *Ephemeral* by design. Precise by execution.
